**Join the Mason City Family YMCA in providing a safe, friendly Halloween event for the youth and families in North Iowa. What better time to celebrate when people are already masked up!**

- There is NO entry fee for this event, we only ask that you provide candy or other hand-outs for the children as they pass your trunk.
- Each "trunk" will be entered in a contest for Best Group Costume, Best Halloween Décor and the Most Illuminated Trunk. Prizes will be a 1 Month Membership for each participant as well as an invitation to an after-hours pool or facility party for your group (2 hour limit).
- Decorating can start as early as 3:00pm but needs to be completed by 5:45pm on 10/24/2020.
- Decorations need to be family friendly in content and we ask that no political signage, profanity, social statements etc. be displayed. We desire all to feel welcome to this event and we reserve the right to remove any décor.
- Halloween is a great time to **get-your-mask** on so we ask that all handing out "candy" be masked and gloved. We will have masks and gloves on site but we encourage you to make your mask part of your décor.
- Electrical, Outside and Inside spaces are available. After you register you will be contacted as to what site you prefer. Space/spots are limited so this will be assigned first come, first served.
- Please see our Flyer, Facebook Event, and Website [www.masoncityymca.org](http://www.masoncityymca.org) for the complete details.
